

YOUNG REPUBLICAN NATIONAL FEDERATION RULES ON ATTENDANCE AT NATIONAL MEETINGS & PENALTIES FOR FAILURE TO RENEW A STATE CHARTER

Each state federation is required to be represented at each meeting of the Young Republican National Committee. The following are rules & penalties regarding the representation of each state federation at meetings of the National Committee:

- A state federation that fails to be represented at all meetings of the National Committee during the previous calendar by at least one of its members of the National Committee or a designated proxy thereof shall be assessed, as a condition of its renewal membership, a penalty as follows:
 - For state federations with equal to or less than 5 million population = \$150
 - For state federations between 5 million and 10 million population = \$250
 - For state federations with greater than 10 million population = \$400
 - This penalty does not apply on a per meeting basis, but is intended to be the entire penalty a state federation must pay, whether it fails to be represented at one meeting or three meetings per year
- A state organization that does not remit any assessment imposed by the failure to attend national meetings on or before the next National Committee meeting shall forfeit its membership in the YRNF. A forfeiture occurs automatically.
- A state federation that for more than three consecutive meetings fails to be represented by at least one member of the National Committee, or an appropriately designated proxy, forfeits its membership in the YRNF. A forfeiture occurs automatically.
- A state federation that fails to have at least one delegate present at a national convention forfeits its membership in the YRNF. A forfeiture occurs automatically.

Each state federation is required to renew their state charter annually. The following are rules & penalties regarding the compliance of each state federation to annually renew their state charter:

- A state federation that fails to fully and completely provide all required information and documents for the renewal of their state charter on or before March 31 shall be assessed, as a condition of its renewal membership, a penalty as follows:
 - For state federations with equal to or less than 5 million population = \$150
 - For state federations between 5 million and 10 million population = \$250
 - For state federations with greater than 10 million population = \$400
- A state federation that does not fully and completely comply with the requirements to renew their state charter on or before April 30 shall forfeit its membership in the YRNF. A forfeiture occurs automatically.
- A state organization that does not remit any assessment imposed by the failure to meet the requirements to renew their state charter on or before the next National Committee meeting shall forfeit its membership in the YRNF. A forfeiture occurs automatically.
